

## ADMINISTRATIVE OFFICE OF THE COURTS

OFFICE OF COURT CONSTRUCTION  
AND MANAGEMENT

### Economic Opportunity Solicitation: Summary of Responses

In March 2009, the Office of Court Construction and Management (OCCM) solicited offers of economic opportunity—defined as financial contributions, land donations, or reduced-cost land acquisitions—for many of the new courthouse projects to be funded by SB 1407. To date, OCCM has received over 60 responses; some responses are still forthcoming. Some responses were letters of support rather than specific offers. The table below summarizes responses by entity:
